

SCHOOL TRIPS AT

MONKEY FOREST

Whatever the weather, the monkeys at Monkey Forest are always on hand to help make your trip one to remember!

The detail...

Monkey Forest is the perfect location for a school trip to remember.

Ideal for a range of ages and topics, its a great way to get outdoors, learn and have fun.

Ever wondered what it's like to walk through a forest full of free roaming monkeys on a school day?

What could a lesson be like, when a monkey is walking along the same path as you?

01

Walk With The Monkeys

Whether you have a private guide led tour or venture through yourself – walking with our monkeys is always fun and educational!

02

Willow Monkey Maze

NEW

Our brand-new Willow Maze is the ultimate combination of fun and learning. Learn the anatomy of Barbary macaques whilst giggling at our rhymes that help guide you and your students through the monkey-shaped willow!

03

x2 Play Areas + Educational Brass Rubbings

NEW

Once you see our primates, let the children blow off some steam in true monkey style! Our large Primate Play Space is designed to help children mimic different primate movements. Each apparatus comes equipped with a brass rubbing activity sheet. Let the children watch, draw, learn and play – ALL WHILST LEARNING!

04

x2 Information Centres + Monkey Movie & Monkey Skeletons

After you experience the Monkey Forest and catch a feeding talk why not feed some young minds some even more interesting bits? Outside of the enclosure we have two extremely interesting information rooms. One of which even has a 8-minute monkey movie and 2 REAL Barbary macaque skeletons!

Safety

At Monkey Forest, the safety of you and our monkey is of our highest priority. We have guides situated on every corner and important park rules to follow to ensure that education visits are as safe as possible.

In 18 years, we have never had a monkey incident.

We are experts at what we do, so your students will have a fun, but above all, safe experience.

A picture speaks a thousand words...
